## Louis Juers

AZ State Parks — Arizona Family Campout Coordinator

Arizona Family Campout Program weekends are designed for families with kids that have little or no experience camping. We will introduce you to the great experiences you can share with your family and inspire you to continue to explore the great outdoors from one of our campgrounds! You will learn how to set up a tent and an introduction to cooking outside, plus you will get to try some fun activities you can do while camping!
