Taylor Lee Arizona Mule Deer Organization—Board Member

Taylor is an Air Force Veteran, born and raised in North Dakota where he got his fill of whitetail hunting. He currently works in the banking industry. Taylor moved to Arizona in 2017 and joined the board in 2019. He's an avid deer and upland bird hunter. AMDO's youth engagement drew him to the organization. He also enjoys the energy and generosity of the AMDO banquets. And like all of us, he's always dreaming of that next big buck! I have been an avid deer and upland hunter my whole life. From the Midwest, but love hunting all over for all kinds of species. Taylor is also a member of Valley of the Sun Quail Forever

Ask me what my approach is when butchering a deer!
